

SHORT FILM SCRIPT – THREE DOORS

SCENE 1 – THE CHOICE

INT. MYSTERIOUS ROOM – NIGHT

Ek andhera room.

Saamne **3 doors**.

- 🚪 **Door A** – Iske peeche ₹10 crore hain, lekin 50% chance hai kuch bhi na mile.
- 🚪 **Door B** – Iske peeche pakke ₹2 crore hain.
- 🚪 **Door C** – Iske peeche ek secret envelope hai jo tumhari life permanently change kar dega, lekin usme kya hai kisi ko nahi pata.

Silence.

Character kuch der tak teenon doors ko dekhta hai.

Woh aage badhta hai.

Aur...

Door C choose karta hai.

SCENE 2 – THE ENVELOPE

INT. ROOM BEHIND DOOR C – CONTINUOUS

😏 Interesting choice.

Zyada log ₹2 crore ya ₹10 crore ke chakkar mein A ya B lete.

Tumne **Door C** choose kiya.

🚪 Door C khulta hai...

Andar ek purana sa envelope rakha hai.

Uspar sirf itna likha hai:

"Open only if you're ready to know your future."

Tum envelope kholte ho.

Andar ek hi line likhi hai:

"Exactly 10 saal baad, tumhare paas woh sab hoga jo tum aaj chahte ho... lekin ek cheez wapas kabhi nahi milegi: woh 10 saal."

Neeche ek aur note hai:

"Agar tum aaj se apni life ka sirf 1 ghanta roz kisi ek meaningful cheez ko do, to is envelope ki prediction sach ho sakti hai. Agar har hafte direction badalte rahe, to ye sirf kagaz hi rahega."

Room mein achanak ek screen on hoti hai.

Uspar likha hai:

"Would you like to see your future?"

Do buttons hain:

● **YES** — Tum apni future life ki ek jhalak dekh sakte ho, lekin uske baad use badal nahi paoge.

● **NO** — Tum future nahi dekhoge. Sab kuch tumhare decisions par depend karega.

Character bina kuch kahe...

YES press karta hai.

SCENE 3 – THE FUTURE

● You pressed: **YES**

Screen dheere-dheere on hoti hai...

Pehle sab blur hota hai...

Phir image clear hone lagti hai.

Tum ek bade se room mein baithe ho.

Bahar baarish ho rahi hai.

Table par coffee rakhi hai.

Laptop band hai.

Diwaar par kuch awards lage hain, lekin unka naam dikh nahi raha.

Ek aadmi andar aata hai...

Dhyan se dekhte ho...

Woh tum hi ho. Bas 10 saal bade.

Woh muskuraata hai aur kehta hai:

"Main tumhe future batane nahi aaya. Main sirf ek warning dene aaya hoon."

Tum poochte ho:

"Kya main successful ho gaya?"

Woh haste hue bolta hai:

"Haan."

Tum turant poochte ho:

"To phir problem kya hai?"

Woh 5 second chup rehta hai...

Phir kehta hai:

"Main har din sochta hoon... kaash maine thoda aur waqt apne doston aur family ke saath bitaya hota."

Itna kehkar screen blink karti hai.

Uske jaane se pehle woh ek aur line bolta hai:

"Paise kamaana mushkil tha... lekin un logon ke saath waqt nikalna usse bhi mushkil nikla."

Screen black ho jaati hai.

Neeche sirf ek line bachi rehti hai:

"Future fixed nahi tha. Ye sirf ek possibility thi."
